

# Contact your representatives

To show your support for the GTM Research Reserve, the National Estuarine Research Reserve System, and the National Oceanic and Atmospheric Administration's grant funding for these programs, please send letters to your Congressional representatives.

## Remember:

- Be respectful
- Share your personal connection to GTM
- Be brief but passionate—don't overthink it!
- Include your full name and home address
- Make your ask: "Save the GTM Reserve"
