

# RESTAURANT PARTICIPATION FORM

Oceanwise 2017

Date: September 30, 2017 Time: 6pm to 9pm

**Oceanwise** is the Friends of the GTM Reserve's annual fundraiser to benefit the research, education, and programs at the GTM Research Reserve. We welcome your participation in this celebration of our oceans, estuaries, and coastal ecosystems. You can help us by providing *tapas style* cuisine that represents the best your chef has to offer for our guests.

Oceanwise was created to educate the community on sustainable seafood, locally and organically grown foods, and "slow foods" that promote environmentally beneficial dining. Restaurants that partner with us agree to provide special dishes that promote these ideals.

## WHAT TO EXPECT AT OCEANWISE

- Oceanwise attendees will have the opportunity to visit your station, taste your delicious offerings, and talk to you about your restaurant.
- Each restaurant is encouraged to bring an example of sustainable seafood, starch, and vegetable. Dessert is another option for a second or third offering.
- Restaurants pledge not to serve items from the Seafood Watch "Avoid" list.
- If serving non-seafood items, please provide organic and/or local choices.
- Space is limited and qualifying restaurants will be selected on a first come first selected basis.
- Restaurants will receive the following sponsorship benefits as a token of our appreciation for your in-kind donation:
  - Restaurant logo on the [www.GTMNERR.org](http://www.GTMNERR.org) website and recognized on the Reserve's Facebook, Twitter, and Instagram pages.
  - Restaurant logo on all printed materials and advertisements.
  - Restaurant logo will be featured during Oceanwise on all tables and in all electronic presentations.
  - Exhibitor space to feature your restaurant's products, menus, flyers, or services.
